I understand the massage / bodywork I receive is provided for the basic purpose of relaxation and relief of muscular tension. If I experience any pain or discomfort during any session, I will immediately inform the therapist. I further understand massage or bodywork should not be construed as a substitute for medical examination, diagnosis, or treatment. Because massage / bodywork should not be performed under certain medical conditions, I affirm that I have stated all my known medical conditions and answered all questions honestly. Also, if specific medical conditions were noted, I have cleared receiving massage with my primary care provider.

I agree to keep the practitioner updated as to any changes in my medical profile and understand there shall be no liability on the practitioner's part should I fail to do so. I also understand that any illicit or sexually suggestive remarks or advances or any other inappropriate action made by me (the client/patient) will result in immediate termination of the session. I also understand all sessions must be paid in full at the end of each session. I understand that the massage therapist has the right to refuse service at any time or for any reason.
